September 2, 2005

To: Light Duty Automotive Dealers

Dear Sir or Madam:

The Missouri Department of Transportation wishes to offer to bid a contract(s) for the purchase of Light Duty Automotive Vehicles. Bids are to be mailed to Missouri Department of Transportation, PO Box 270, Jefferson City, MO 65102, and will be opened on October 3, 2005 at 2:00 p.m. Bid prices are to be firm through for the duration of current model year.

Please review this bid very carefully due to a few new major changes that were added this year.

If you have any questions about this bid, please feel free to contact me at 573-526-7932, or email at [jerry.dunn@modot.mo.gov](mailto:jerry.dunn@modot.mo.gov).

Sincerely,

Jerry Dunn,  
Fleet Specialist

Missouri Department of Transportation  
General Services Division  
Jefferson City, Missouri

New standard equipped **2006 Model Light-Duty Automotive Vehicles**, complete and meeting the attached Missouri Department of Transportation Specifications and options.

The Missouri Department of Transportation desires to establish prices for the purchase of 2006 Light-Duty Automotive Vehicles for delivery to our ten District offices (see page 40). Some orders may include various options listed under each item number.

**Questions concerning specifications should be directed to Jerry Dunn at (573-526-7932).**

### **1. BID INSTRUCTIONS**

- 1.1 Each dealer should take great care in matching the Item #, the correct specification and options for that Item # as no allowances will be made after the bids are opened.
- 1.2 Bid prices should be firm for the duration of current model year. Three (3) one-year extensions are available upon mutual consideration by Missouri Department of Transportation and the successful bidder. Allowance for inflation increases will be considered at the time of offer of these extensions.
- 1.3 Indicate the additional cost or deduction for the options listed under each Item # which should include all required options and special equipment.
- 1.4 The Missouri Department of Transportation will purchase a limited number of vehicles with some of the listed options.
- 1.5 All of the vehicles ordered with any of the listed options must meet the attached specifications with the exception of the options specified on the purchase orders.
- 1.6 You should bid on all of the optional equipment listed under each item.
- 1.7 **All Blank lines must be completed. Please use the following terms: No Bid="NB"**
- 1.8 **Not Available="NA". If option is included in base bid mark blank line "INCLUDE".**

### **2. WARRANTY**

- 2.1 Standard Factory warranty shall apply to all vehicles.
- 2.2 Warranty Information beyond the Missouri Department of Transportation requirements must be submitted with your bid.
- 2.3 The warranty shall commence upon delivery and acceptance of the completed vehicle to the requesting district.
- 2.4 The warranty shall not become effective until the unit is placed in service.

### **3. BID EVALUATION CRITERIA**

- 3.1 Each item will be awarded to the bidder with the lowest TOTAL COST. Total cost will be determined by adding to the base price the cost of all options requested for which at least one bid is received representing each approved make/model. Final determination of these options will not be made until after the opening of all bids.

**3. BID EVALUATION CRITERIA (cont.)**

- 3.2 Items 7, 9, 10, 11 and 12 have options for MoDOT-approved manufacturer standard service bodies. Only those approved makes and models noted shall be considered.
- 3.3 In accordance with RSMO 414.365, MoDOT must use fuel with at least the biodiesel content of B-20. A letter from your company indicating warranty support for B-20 shall be submitted with your bid. Failure to submit such letter will result in your bid being considered non-responsive

**4. ADVERTISEMENTS**

- 4.1 There are to be no dealer advertisements on units delivered to the Missouri Department of Transportation.

**5. PAINT**

- 5.1 All vehicles will be ordered in manufacturer white except those for which the "Highway Yellow" option is selected.

**6. ATTACHMENTS**

- 6.1 For bids to be considered, the attachment entitled "PREFERENCE IN PURCHASING PRODUCTS" must be on file in this office and must be dated in the current model year.
- 6.2 The attachment "MISSOURI DOMESTIC PRODUCT PROCUREMENT ACT" Certificates of compliance must be completed and submitted with your bid for it to be considered responsive.

**7. DELIVERY**

- 7.1 Delivery must be made between the hours of 8:00 AM and 3:00 PM Local Time, Monday through Friday except holidays.
- 7.2 In the event the vendor fails to deliver the vehicle by the stated ARO time the The Missouri Department of Transportation reserves the right to secure a similar vehicle from a source of their choice and to charge the original vendor any additional cost incurred for the substitution. The Missouri Department of Transportation reserves the right to exercise this clause on a case-by-case basis and to consider the degree of contractor responsibility in the delay.

**ITEM # 1 - New standard equipped 2006 Model ¾ Ton Pickups.**

**ACCEPTABLE MAKES AND MODELS:**

Standard Ford F-250 Styleside with 137" Wheelbase, Cab to Axle 56"

Standard Chevrolet 2500 /GMC C25903 Fleetside with 133" Wheelbase, Cab to Axle 56"

Standard Dodge ST2500 Sweptline with 140.5" Wheelbase, Cab to Axle 56"

**All units bid must contain the following options:**

1. Standard, minimum V8 Fuel-Injected Gasoline Engine (Size\_\_\_\_\_ Horsepower\_\_\_\_\_)
2. Transmission, 4 or 5 speed automatic
3. Air conditioning
4. LH & RH manual trailer-type mirrors
5. Spare tire and wheel
6. Rubber floor mats
7. Minimum 8,600 lbs. GVWR
8. Heavy-duty (Type III) trailer package to include receiver hitch.
9. 8' Bed
10. Brakes, 4-wheel anti-lock braking system (ABS)
11. Speed control and tilt wheel.

## Purchasing Coop Form

3-051003

### NOTICE \* \* \* \* NOTICE \* \* \* \* NOTICE

The department is interested in assisting Missouri counties, cities, special road districts, etc. in purchasing equipment that meets Highway and Transportation Department specifications.

Each bidder is asked to indicate below whether they would be willing to offer equipment for sale to these local political entities at the same bid price offered to this department.

It is understood the department will not issue purchase orders, accept delivery nor make payment for vehicles ordered by any of these agencies. It is further understood the price is based on the unit meeting the department specifications. Any added options, deletions, or extra freight costs would be negotiated between the local agency and the successful vendor.

Indicate below whether your company is willing to offer such cooperative purchasing for Missouri counties, cities or other political entities.

Yes \_\_\_\_\_

No \_\_\_\_\_

If the price varies throughout the state on department bids, because of different delivery destinations, please indicate the price f.o.b. your location that would be offered as described above.

\$ \_\_\_\_\_  
(Price) (Location)

Indicate the deadline date that orders will be accepted after the initial award by the department for department purchased units.

(Each vendor should complete the appropriate sections of this form and submit with their bid.)

MISSOURI DEPARTMENT OF TRANSPORTATION  
STEEL FRAME, STEEL FLOOR PLATFORM BODY LESS STAKE SIDES SPECIFICATIONS

Overall width not to exceed 96".

Overall length as specified on bid form.

Body frame to be all steel welded into a single unit.

Long sills shall be 5", 6.7# structural steel and gusseted front, rear and at each cross sill.

Cross sills shall be structural steel or 11 gauge high strength, 50,000# rollformed steel spaced on minimum 12" centers for maximum strength and gusseted throughout to long sills and welded to side rails.

Front, rear and sides (rub rails) shall be 11 gauge high strength, 50,000# rollformed steel with 12 gauge steel lined stake pockets.

Floor shall be steel with a non-skid 3/16" safety tread plate surface over 2" nominal CCA pressure treated tongue and groove #1 dense yellow pine, securely welded to cross sills flush with rub rails.

Recessed, rubber grommated, weather tight and high impact reflectorized lights at each of the four corners as required by the latest Federal regulations.

Backup alarms are to be provided.

The entire frame is to be primed and finished with two coats of automotive enamel. The manufacturers standard color will be acceptable.

The Missouri Highway and Transportation Commission reserves the right to waive technicalities and to reject any or all bids and no bid is final until formally accepted by the Commission.

MISSOURI DEPARTMENT OF TRANSPORTATION  
PLATFORM BODY WITH STEEL FLOOR AND UNDERBODY HOIST SPECIFICATIONS  
(LESS HYDRAULIC PUMP, VALVE ASSEMBLY AND HOSES)

BODY -- Minimum length overall as specified on bid form, width not to exceed 96". Floor shall be steel with a non-skid 3/16" safety tread plate surface securely welded to cross sills flush with rub rails. Body to have welded side and end rails of formed steel. Stake pockets approximately 1-3/4" x 3-1/2" boxed full depth or rails installed inside of rails will be provided, front, side and rear. Long sills will be a minimum of 5" high, of channel steel sections. Cross sills will be approximately 4" high on minimum 12" centers of channel steel sections. Long sills will be securely attached to cross sills. The body hinge pins to be removable type with a minimum of 1-1/4" diameter. A welded flat or three point type hinge is acceptable. Body to have fully enclosed recessed corner clearance lights. To be equipped with two red clearance lights on rear and two amber clearance lights on front with cluster of three red lights at rear located in a protected position in rear body rail. All wiring to be protected.

HOIST -- N.T.E.A. performance range E or equal, rated minimum 12 ton capacity with a 18" body overhang. The hoist shall be a single or twin arm scissors type, have a double acting single cylinder providing power up, and power down action and a solid torque trunnion. The dumping angle shall be a minimum of 40 degrees.

Do Not include hydraulic pump, valve assembly, hoses and PTO

The hoist hinges and lift arm connection assembly is to be connected to body long sills so as to be integral with body. The body attaching brackets must be adjustable to fit any body sill spacing. The saddle and body guides are to bolt to truck frame with spacers provided to eliminate hotching of body sill where it rests on hoist saddle.

Bids will be considered on any standard unit providing that any minor deviations from these specifications are clearly noted on bid.

The Missouri Highway and Transportation Commission reserves the right to waive technicalities and to reject any or all bids and no bid is final until formally accepted by the Commission.

MISSOURI DEPARTMENT OF TRANSPORTATION  
TWO CUBIC YARD STRUCK CAPACITY DUMP BODY WITH DOUBLE ACTING HOIST FOR 1 TON CHASSIS-  
CAB WITH 56" OR 60" CA. (LESS HYDRAULIC PUMP, TANK, VALVE ASSEMBLY AND HOSES)  
SPECIFICATIONS

**BODY**

Description - Contractor type all welded 12 gauge steel constructed shell, minimum 6' 6" wide inside x 8' long and a full 96" outside width, 2 cubic yard water level sides and 3 cubic yard ends. Backup alarms are to be provided.

The body head sheet metal panel shall have a double or triple flanged or fully boxed top rail.

The body side sheet metal shall be reinforced by a minimum of two pyramid V-Type, Square or Rectangular boxed vertical braces running from the top rails to the rub rails and have full height fully boxed rear corner braces. The sides shall have full length triple flanged or fully boxed top rails and full length sloping rub rails. Side board sockets are to be provided front and rear. The body understructure shall be steel channel, structural or equal strength steel cross members and longitudinal members. The understructure shall be gusseted and welded to the floor.

**Each rear corner post shall have a built in shock resistant recessed oval stop/taillight and shock resistant recessed oval backup light. Each light shall have a minimum 8' wiring harness.**

The body tailgate will be double acting with boxed braced steel top, side and bottom rails. It will have a minimum 5/16" spreader and hold chains, standard hardware with overhanging top hinge with a minimum of 1" diameter pin and bottom hinge pin with a minimum of 1" diameter. The trip handle is to be upright on left front corner of the body and mounted so as not to interfere with the opening and closing of truck cab door. The trip handle should open the lower hinge on the tailgate with little effort and should not travel more than approximately 90 degrees to a horizontal position. When the tailgate is open to a horizontal position the tailgate should be level with the dump body floor. **A minimum 3/16" x 1 1/2" x 1 1/2" (or equal strength) license plate bracket shall be welded to the tailgate.**

Flared body bracket guides will be attached to either hoist frame or body understructure to align body in position and keep from moving from side to side. A safety body prop should also be provided.

The body overhang shall be approximately 10".

**HOIST - Class 20, Minimum 6 Ton Capacity, Underbody Double Arm Lift Type with Double Acting Hoist**

Double acting cylinder providing power-up and power down. The cylinder should have a bypass or relief valve which limits the dumping angle to a maximum of 45 degrees. Hoist hinges may be welded or fastened to longitudinal members. (Bolted hinges are preferred but either type will be acceptable). Hoist lift arm connection assembly is to be integral with body. Hinge pins to be removable type with a minimum of 1 1/4" diameter. Do not include hydraulic pump, tank, valve assembly and hoses.

**COLOR** - Color to be same as the truck specified on the purchase order. The entire must have at least one coat of primer and be treated with a rust protection treatment.

**GENERAL** - Bids will not be considered on any body and hoist that deviates from these specifications.

Descriptive literature and complete technical data must be furnished with your bid.

The Missouri Highway and Transportation Commission reserves the right to waive technicalities and to reject any or all bids and no bid is final until formally accepted by the Commission.

# PREFERENCE IN PURCHASING PRODUCTS

DATE: \_\_\_\_\_

The bidders attention is directed to Section 34.076 RsMO 1986 which gives preference to Missouri corporations, firms, and individuals when letting contracts or purchasing products.

Bids/Quotations received will be evaluated on the basis of this legislation.

**All vendors submitting a bid/quotation must furnish ALL information requested below.**

NOTE: For bid/quotation to be considered, the "Preference in Purchasing Products" form must be on file in the General Services (Procurement) Division and must be dated in the current calendar year.

## MISSOURI DOMESTIC PRODUCTS PROCUREMENT ACT

The bidder's attention is directed to the Missouri Domestic Products Procurement Act, Sections 34.350 to 34.359, RsMO, which requires all manufactured goods or commodities used or supplied in the performance of this contract or any subcontract to be manufactured or produced in the United States.

Section 34.355, RsMO, requires the vendor or contractor to certify his compliance with Section 34.353 and, if applicable, Section 34.359, RsMO, at the time of bidding and prior to payment. Failure to comply with Section 34.353, RsMO, during the performance of the contract and to provide certification of compliance prior to payment will result in nonpayment for those goods or commodities.

Section 34.353.2, RsMO, specifies that it does not apply where the total contract is less than Twenty-Five Thousand Dollars (\$25,000.00). If your total bid is Twenty-Five Thousand Dollars (\$25,000.00) or more, you **must** complete this form as directed below.

**Failure to complete and return this document with this bid will cause the State to presume the manufactured goods or products listed in the bid are not manufactured or produced in the United States, and the bid will be evaluated on that basis. Please read the certification appearing below on this form.**

- [ ] If all the goods or products specified in the attached bid which the bidder proposes to supply to the State shall be manufactured or produced in the "United States" as defined in Section 34.350, RsMO, check the box at left.
- [ ] If only one item of any particular goods or products specified in the attached bid is manufactured or produced in the "United States" as defined in Section 34.350, RsMO, check the box at left and list the items (or item number) here:
- \_\_\_\_\_
- \_\_\_\_\_
- [ ] If any or all of the goods or products specified in the attached bid which the bidder proposes to supply to the State are **not** manufactured or produced in the "United States" as defined in Section 34.350, RsMO, then: (a) check the box at left; (b) list below, by item (or item number), the country other than the United States where each good or product is manufactured or produced; and (c) check the boxes to the left of the paragraphs below if applicable and list the corresponding items (or item numbers) in the spaces provided.

Item (or item number)	Location Where Item Manufactured or Produced

(attach an additional sheet if necessary)

- [ ] The following specified goods or products cannot be manufactured or produced in the United States in sufficient quantities or in time to meet the contract specifications. Items (or item numbers): \_\_\_\_\_
- \_\_\_\_\_
- [ ] The following specified goods or products must be treated as manufactured or produced in the United States, in accordance with an existing treaty, law, agreement, or regulation of the United States, including a treaty between the United States and any foreign country regarding export-import restrictions or international trade. Items (or item numbers): \_\_\_\_\_
- \_\_\_\_\_

### CERTIFICATION

By submitting this document, completed as directed above, with a bid, the bidder certifies under penalty of making false declaration (Section 575.060, RsMO) that the information contained in this document is true, correct and complete, and may be relied upon by the State in determining the bidders qualifications under and in compliance with the Missouri Domestic Products Procurement Act.

The bidder's failure to complete and return this document with the bid as directed above will cause the State to presume the manufactured goods or products listed in the bid are not manufactured or produced in the United States, and the bid will be evaluated on that basis pursuant to Section 34.353.3(2), RsMO.

**Missouri Highways and Transportation Commission**  
**Standard Bid/Proposal Provisions, General Terms and Conditions and Special Terms and Conditions**

**STANDARD SOLICITATION PROVISIONS**

- a. The Missouri Department of Transportation (MoDOT) reserves the right to reject any or all bids/quotes/proposals, and to accept or reject any items thereon, and to waive technicalities. In case of error in the extension of prices in the bid/quote/proposal, unit prices will govern.
- b. All bids/quotes/proposals must be signed with the firm name and by a responsible officer or employee. Obligations assumed by such signature must be fulfilled.
- c. By virtue of statutory authority, a preference will be given to materials, products, supplies, provisions and all other articles produced, manufactured, made or grown, within the State of Missouri.
- d. Time of delivery is a part of the consideration and, if not otherwise stated in the solicitation documents, must be stated in definite terms by the Bidder/Officer and must be adhered to. If time varies on different items, the Bidder/Officer shall so state.
- e. If providing bids/quotes/proposals for commodities, the Bidder/Officer will state brand or make on each item. If bidding or proposing other than the make, model or brand specified, the manufacturer's name, model number or catalog number must be given.
- f. For bids/proposals of \$25,000 or more, no bids/proposals by telephone, telegram or telefax will be accepted. If provided, these bids/proposals should be returned in the MoDOT solicitation return envelope.
- g. If a solicitation return envelope is provided by MoDOT, the bid/quote/proposal should be returned in the envelope provided with the Bid/RFQ/RFP Request Number plainly indicated thereon.
- h. The date specified for the returning of bids/quotes/proposals is a firm deadline and all bids/quotes/proposals must be received at the designated office by that time. The Department does not recognize the U.S. Mail, Railway Express Agency, Air Express, or any other organization, as its agent for purposes of accepting proposals. All proposals arriving at the designated office after the deadline specified will be rejected.

**GENERAL TERMS AND CONDITIONS**

**General Performance**

- a. This work is to be performed under the general supervision and direction of the Missouri Department of Transportation (MoDOT) and, if awarded any portion of the work, the Contractor agrees to furnish at his own expense all labor and equipment required to complete the work, it being expressly understood that this solicitation is for completed work based upon the price(s) specified and is not a solicitation for rental of equipment or employment of labor by MoDOT, and MoDOT is to have no direction or control over the employees used by the Contractor in performance of the work.

**Deliveries**

- a. Unless otherwise specified on the solicitation documents or purchase order, suppliers shall give at least 24 hours advance notice of each delivery. Delivery will only be received between the hours of 8:00 a.m. to 3:00 p.m., Monday through Friday. Material arriving after 3:00 p.m. will not be unloaded until the following workday. No material will be received on Saturday, Sunday or state holidays.

- b. If the prices bid herein include the delivery cost of the material, the Contractor agrees to pay all transportation charges on the material as FOB - Destination. Freight costs must be included in the unit price bid and not listed as a separate line item.
- c. Any demurrage is to be paid by the Contractor direct to the railroad or carrier.

**Nondiscrimination**

- a. The Bidder/Officer understands that this project involves state funds and the Bidder/Officer awarded the contract will be required to comply with the Executive Order 94-03 of the Governor of the State of Missouri dated January 14, 1994. This order stipulates that there shall be no discriminatory employment practices by the Contractor or his subcontractors, if any, based on race, color, religion, creed, national origin, sex or age. The undersigned Contractor or his subcontractors, if any, shall give written notice of their commitments under this clause to any labor union with which they have bargaining or other agreements.
- b. The Contractor shall comply with the Regulations relative to nondiscrimination in federally-assisted programs of the Department of Transportation, Title 49, Code of Federal Regulations, Part 21, as they may be amended from time to time, (hereinafter referred to as the Regulations), which are herein incorporated by reference and made a part of this contract.
- c. All solicitations either by competitive bidding or negotiation made by the Contractor for work to be performed under a subcontract, including procurements of materials or leases of the Contractor's obligations under this contract and the Regulations, will be relative to nondiscrimination on the grounds of race, color, or national origin.
  - 1) Sanctions for Noncompliance: In the event of the Contractor's noncompliance with the nondiscrimination provisions of this contract, MoDOT shall impose such contract sanctions as it or the Federal Highway Administration may determine to be appropriate, including, but not limited to:
    - i. withholding of payments to the Contractor under the contract until the Contractor complies, and/or,
    - ii. cancellation, termination or suspension of the contract, in whole or in part.

**Contract/Purchase Order**

- a. By submitting a bid/quote/proposal, the Bidder/Officer agrees to furnish any and all equipment, supplies and/or services specified in the solicitation documents, at the prices quoted, pursuant to all requirements and specifications contained therein.
- b. A binding contract shall consist of: (1) the solicitation documents, amendments thereto, and/or Best and Final Offer (BAFO) request(s) with any changes/additions, (2) the Contractor's proposal and/or submitted pricing, and (3) the MHTC's acceptance of the proposal and/or bid by purchase order.
- c. A notice of award does not constitute an authorization for shipment of equipment or supplies or a directive to proceed with services. Before providing equipment, supplies and/or services, the Contractor must receive a properly authorized purchase order and/or notice to proceed.
- d. The contract expresses the complete agreement of the parties and performance shall be governed solely by the specifications and

**Missouri Highways and Transportation Commission**  
**Standard Bid/Proposal Provisions, General Terms and Conditions and Special Terms and Conditions**

requirements contained therein. Any change, whether by modification and/or supplementation, must be accomplished by a formal contract amendment signed and approved by and between the duly authorized representative of the Contractor and the duly authorized representative of the MHTC, by a modified purchase order prior to the effective date of such modification. The Contractor expressly and explicitly understands and agrees that no other method and/or no other document, including correspondence, acts, and oral communications by or from any person, shall be used or construed as an amendment or modification.

**Subcontracting**

- a. It is specifically understood that no portion of the material or any interest in the contract, shall be subcontracted, transferred, assigned or otherwise disposed of, except with the written consent of MoDOT. Request for permission to subcontract or otherwise dispose of any part of the work shall be in writing to MoDOT and accompanied by documentation showing that the organization which will perform the work is particularly experienced and equipped for such work.
- b. Consent to subcontract or otherwise dispose of any portion of the work shall not be construed to relieve the Contractor of any responsibility for the production and delivery of the contracted work and the completion of the work within the specified time.
- c. All payments for work performed by a subcontractor shall be made to the Contractor to whom the contract was awarded and the purchase order issued.

**Invoicing and Payment**

- a. MoDOT is exempt from paying Missouri Sales Tax, Missouri Use Tax and Federal Excise Tax. However, the Contractor may themselves be responsible for the payment of taxes on materials they purchase to fulfill the contract. A Federal Excise Tax Exemption Certificate will be furnished to the successful Bidder/Offeror upon request.
- b. Each invoice should be itemized in accordance with items listed on the purchase order and/or contract. The statewide financial management system has been designed to capture certain receipt and payment information. Therefore, each invoice submitted must reference the purchase order number and must be itemized in accordance with items listed on the purchase order. Failure to comply with this requirement may delay processing of invoices for payment.
- c. Unless otherwise provided for in the solicitation documents, payment for all equipment, supplies, and/or services required herein shall be made in arrears. The Missouri Highways and Transportation Commission (MHTC) shall not make any advance deposits.
- d. The MHTC assumes no obligation for equipment, supplies, and/or services shipped or provided in excess of the quantity ordered. Any authorized quantity is subject to the MHTC's rejection and shall be returned at the Contractor's expense.

**Applicable Laws and Regulations**

- a. The contract shall be construed according to the laws of the State of Missouri. The Contractor shall comply with all local, state, and federal laws and regulations related to the performance of the contract.
- b. The Contractor must be registered and maintain good standing with the Secretary of State of the State of Missouri and other regulatory agencies, as may be required by law or regulations. Prior to the issuance of a purchase order and/or notice to proceed, the Contractor will be required to submit to MoDOT a copy their current Authority

Certificate from the Secretary of State of the State of Missouri.

- 1) Prior to the issuance of a purchase order and/or notice to proceed, all **out-of-state** Contractors **providing services** within the state of Missouri must submit to MoDOT a copy of their current Transient Employer Certificate from the Department of Revenue, in addition to a copy of their current Authority Certificate from the Secretary of State of the State of Missouri.
- c. The exclusive venue for any legal proceeding relating to or arising, out of the contract shall be in the Circuit Court of Cole County, Missouri.

**Preferences**

- a. In the evaluation of bids/quotes/proposals, preferences shall be applied in accordance with Chapter 34 RSMo. Contractors should apply the same preferences in selecting subcontractors.
- b. By virtue of statutory authority, RSMo. 34.076 and 34.350 to 34.359, a preference will be given to materials, products, supplies, provisions and all other articles produced, manufactured, made or grown within the State of Missouri. Such preference shall be given when quality is equal or better and delivered price is the same or less.
  - 1) The attachment entitled **"PREFERENCE IN PURCHASING PRODUCTS"** must be completed and returned with the solicitation documents.
  - 2) The attachment entitled **"MISSOURI DOMESTIC PRODUCTS PROCUREMENT ACT"** must be completed and returned with the solicitation documents. **Applies if bid is Twenty-Five Thousand Dollars (\$25,000.00) or more**
- c. In the event of a tie of low bids, the MHTC reserves the right to establish the method to be used in determining the award

**Remedies and Rights**

- a. No provision in the contract shall be construed, expressly or implied a waiver by the MHTC of any existing or future right and/or remedy available by law in the event of any claim by the MHTC of the Contractor's default or breach of contract.
- b. The Contractor agrees and understands that the contract shall constitute an assignment by the Contractor to the MHTC of all rights, title and interest in and to all causes of action that the Contractor may have under the antitrust laws of the United States or State of Missouri for which causes of action have accrued or will accrue as the result of or in relation to the particular equipment, supplies, and/or services purchased or produced by the Contractor in the fulfillment of the contract with the MHTC.
- c. In the event a Contractor becomes involved in, or is threatened with, litigation with a subcontractor or supplier as a result of such direction, the Contractor may request MoDOT to enter into such litigation to protect the interests of the MHTC, and, in addition, the Contractor may request the United States to enter into such litigation to protect the interests of the United States.

**Cancellation of Contract**

- a. If the MHTC cancels the contract for breach, the MHTC reserves the right to obtain the equipment, supplies, and/or services to be provided pursuant to the contract from other sources and upon such terms and in such manner as the MHTC deems appropriate and

**Missouri Highways and Transportation Commission**  
**Standard Bid/Proposal Provisions, General Terms and Conditions and Special Terms and Conditions**

charge the Contractor for any additional costs incurred thereby.

**Bankruptcy or Insolvency**

- a. Upon filing for any bankruptcy or insolvency proceeding by or against the Contractor, whether voluntary or involuntary, or upon the appointment of a receiver, trustee, or assigned the benefit or creditors, the Contractor must notify MoDOT immediately. Upon learning of any such actions, the MHTC reserves the right, at its sole discretion, to either cancel the contract or affirm the contract and hold the Contractor responsible for damages.

**Inventions, Patents, and Copyrights**

- a. The Contractor shall defend, protect, and hold harmless the MHTC, its officers, agents, and employees against all suits of law or in equity resulting from patent and copyright infringement concerning the Contractor's performance or products produced under the terms of the contract.

**Inspection and Acceptance**

- a. No equipment, supplies, and/or services received by MoDOT pursuant to a contract shall be deemed accepted until MoDOT has had reasonable opportunity to inspect said equipment, supplies, and/or services.
- b. All equipment, supplies, and/or services which do not comply with the specifications and/or requirements or which are otherwise unacceptable or defective may be rejected. In addition, all equipment, supplies, and/or services which are discovered to be defective or which do not conform to any warranty of the Contractor upon inspection (or at any later time if the defects contained were not reasonably ascertainable upon the initial inspection) may be rejected.
- c. The MHTC reserves the right to return any such rejected shipment at the Contractor's expense for full credit or replacement and to specify a reasonable date by which replacements must be received.
- d. The MHTC's right to reject any unacceptable equipment, supplies, and/or services shall not exclude any other legal, equitable or contractual remedies the MHTC may have.

**Warranty**

- a. The Contractor expressly warrants that all equipment, supplies, and/or services provided shall: (1) conform to each and every specification, drawing, sample or other description which was furnished to or adopted by MoDOT, (2) be fit and sufficient for the purpose expressed in the solicitation documents, (3) be merchantable, (4) be of good materials and workmanship, and (5) be free from defect.
- b. Such warranty shall survive delivery and shall not be deemed waived either by reason of the MHTC's acceptance of or payment for said equipment, supplies, and/or services.

**Status of Independent Contractor**

- a. The Contractor represents itself to be an independent Contractor offering such services to the general public and shall not represent itself or its employees to be an employee of the MHTC. Therefore, the Contractor shall assume all legal and financial responsibility for taxes, FICA, employee fringe benefits, workers' compensation, employee insurance, minimum wage requirements, overtime, etc., and agrees to indemnify, save and hold the MHTC, its officers, agents and employees harmless from and against any and all losses (including attorney fees) and damage of any kind related to such matters.

Missouri Highways and Transportation Commission  
Standard Bid/Proposal Provisions, General Terms and Conditions and Special Terms and Conditions

FLEET SPECIAL TERMS AND CONDITIONS

FOR BID 3-051003 LIGHT DUTY AUTOMOTIVE

Information and Reports

- a. Submit descriptive literature and specifications showing exact equipment you propose to furnish.
- b. A complete list or catalog describing all available training materials related to the items you are bidding must be included in your bid.

Award

- a. Each item will be awarded to the bidder with the lowest **TOTAL COST**. Total Cost will be determined by adding to the base price the cost of all options requested for which at least one bid is received representing each approved make/model. Final determination of these options will not be made until after the opening of all bids.
- b. Items 7, 9, 10, 11, and 12 have options for MoDOT- approved manufacturer standard service bodies. Only those approved makes and models noted will be considered.
- c. **In accordance with RSMO 414.365, MoDOT must use fuel with at least the biodiesel content of B-20. A letter from your company indicating warranty support for B-20 shall be submitted with your bid. Failure to submit such letter will result in your bid being considered non-responsive**
- d. Prices must be good for all ten-district locations.

Delivery – Additional Requirements

- a. NET DELIVERED FIRM PRICE is construed to be delivering complete and ready for use to the delivery destination, then tested and placed in service with detailed instructions and training of Department personnel at any Department facility.
- b. Bid price to include the cost of one (1) Operator's Manual for each new unit, one (1) Parts Book, and one (1) Technical Service Manual for each destination.
